TRANSFERRING
VALUES
AND VALUABLES
TO CREATE A
PURPOSEFUL
LEGACY

AN INVITATION TO REFLECT

Dear Friend,

Every disciple embarks upon a personal journey as we develop our Christian faith, which is marked with life change events. From our profession of faith to baptism to belonging within our church family to our service with one another—each represents a tangible, outward sign of our maturity.

Within every journey, we reflect on where we have come from and where we are going. If history is our guide, then what have we learned that we will pass on for the benefit of others?

How we live our lives is our lasting and eternal legacy. We all aspire to create a legacy that multiplies positive impact. We are not called to a life of consumption and saving for ourselves; rather, to ensure future generations can thrive in a complex world. To God's glory.

The Legacy of Purpose Ministry is designed to help us think about our values and valuables and bring them together to create a lasting impact for others. The ministry is not about our weekly commitments. Instead, we gather throughout the year to educate, recreate, and celebrate what God is doing in our lives, those we are closest with, and the lives we desire to impact.

Will you consider joining us on this exciting journey?

Your partners,

Jeff Porte & the Generosity Team

CHURCH

WHAT WE DESIRE *FOR* YOU NOT *FROM* YOU

Together, we have had some significant milestones as a church family. Many of us have faithfully supported this mission and ministry through giving a tithe or a percentage of our income. When presented with opportunities, we have generously given over and above that mark to fund special projects.

As we enter a stage of life where many of us have abundance, we are inviting each of us to think through three key areas of our life.

#1 DO WE HAVE A GENEROSITY PLAN?

Most goals happen because we create a plan to accomplish them. Good things rarely happen by accident or “luck.” Instead, it requires intentionality, resilience, and hard work. A Generosity Plan is essential to creating a lasting and eternal legacy.

#2 WHAT DOES IT MEAN TO BE CONTENT & SECURE?

God wants us to place our trust in Him and Him alone. That doesn't mean we shouldn't have a plan to live our preferred lifestyle or save for a rainy day. But it does require us to think through our contentment and security concerns. Without defining 'how much is enough' and 'do I have enough to last,' it will be challenging to be truly generous.

#3 WHAT LEGACY DO WE WANT TO LEAVE OUR CHILDREN?

Blessing our children with financial security can be a twofold gift. One aspect part is the monetary gift itself. As parents, you know what is best for your children. The second is demonstrating what it looks like to create a legacy that supports your core values and multiplies kingdom impact through others.

Our desire is for you to maximize what God has laid upon your heart as you design your legacy and the impact that it will have both now and for future generations.

HOW CAN YOU TAKE ACTION AND WHAT CAN YOU DO?

Attend one of the workshops we are hosting to help you define your legacy and begin to develop your gift. Visit our church website at centerpoint.faith/events for information on upcoming workshops.

Let's meet! Coffee after worship or mid-week always works, too. I and our Generosity Team would enjoy sharing our heart for Legacy of Purpose Ministry.

Are you considering a non-cash asset you would like to give? We can show you how you receive a tax deduction and possibly reduce or eliminate capital gains tax. We can even provide options to turn a charitable gift into an income stream. Contact Executive Director Jeff Kimmel at jkimmel@centerpoint.faith for more information.

Centerpoint Church has retained the services of Mortarstone to assist with private certified professional legacy design consultations. They specialize in helping us first put what God has in our hearts in our legacy design. The service is free and confidential to discuss very personal matters safely. Please get in touch with Tim at tim.deatruck@mortarstone.com.

Thank you for your continued dedication to building the Kingdom—we look forward to seeing what God does through you.
